SP15 Course, Program, and Minor Proposal Deadlines
for the Undergraduate Studies Curricular Review Committee only

For the schedule below, all course proposals begin w/the Undergraduate Studies deadline and end with approval at the Faculty Senate meeting. All program & minor proposals (add, change and drop) begin with a prospectus submitted by the associate dean for academic programs one week prior to the ACUE meetings, and end with approval by the BOT.
updated as of 01/12/15
